

## ULTIMATE GRAPHICS FOR THE BBC MICRO MODEL B

### AMX PAINT POT

DISC ONLY £14.95 INC VAT

Finalist for Peripheral of the Year...that's how successful the AMX MOUSE is. Supplied as a package with the superb ICON DESIGNER and AMX ART programs, it has proved enormously popular. Not to mention the recently launched AMX UTILITIES and AMX DESK. And now Advanced Memory Systems brings you an exciting new addition to the AMX software range - AMX PAINT POT! PAINT POT lets you fill in with colour any pictures you've made with AMX ART. Now you can bring your drawings to life with rich, vibrant colours. And with a palette of 256 different shades, you certainly won't be short of inspiration! The software even includes eight exciting pictures to start you off.

There's more, too. You can store up to twenty coloured illustrations in 'Picture Show' mode, which will then display your works of art in sequence, automatically or manually at the touch of a MOUSE

### AMX MOUSE PACKAGE
