
RISC OS 3.70 Release Note

Please refer to the !ReadMe file on the root of the hard disc for the latest information on RISC OS 3.70 and the StrongARM™ processor.

The User guide for RISC OS 3.70 is supplied on the hard disc drive of the computer, together with browsing software called Bookworm. Instructions for its use are enclosed in a separate leaflet.

Please note

You should check before purchasing any software or hardware for your computer that it is StrongARM™ compatible.
