

THE VULCAN CONNECTION

OVER THE PAST THREE YEARS, VULCAN ELECTRONICS HAVE BEEN BUILDING A REPUTATION BASED ON IDENTIFYING COMPUTER OWNERS' NEEDS AND FULFILLING THEM WITH AN EVER-INCREASING RANGE OF TOP SPECIFICATION PRODUCTS.

ALL THE WIDE RANGE OF PRODUCTS ON THE FOLLOWING PAGES ILLUSTRATE VULCAN'S POLICY OF OFFERING HIGH QUALITY AND EXCEPTIONAL VALUE FOR MONEY. EVERY VULCAN PRODUCT CARRIES A FULL ONE-YEAR WARRANTY OFFERING COMPREHENSIVE AFTER-SALES SERVICE.

THE RANGE HAS BEEN DESIGNED TO CATER FOR OVER 90% OF HOME COMPUTER OWNERS AND VULCAN WILL CONTINUE TO INTRODUCE NEW PRODUCTS TO MEET THE DEMANDS OF TODAY'S AND TOMORROW'S COMPUTER AGE.

VULCAN ELECTRONICS LTD

Joystick Genius

VULCAN GUNSHOT I

Exclusively manufactured to exacting specifications and featuring rugged construction 8-directional all-in-one moulded handle, heavy-duty suction pads, dual fire buttons, the Gunshot I is directly compatible/interfaces with practically all home computers. Extremely durable and exceptional value for money.

VULCAN GUNSHOT II

All the rugged features and durable construction of the Gunshot I, with a rapid fire button. The ultimate killing-machine at a competitive price.

A must for serious games players.

VULCAN MSX

A tough and high quality 8-directional joystick, technically compatible with the MSX standard. Constructed to Vulcan's high specifications, the MSX features moulded grip handle, stabilising suction pads, dual, fast-response fire buttons and represents excellent value for money.

BBC JOYSTICK INTERFACE

Totally hardware interface compatible with BBC joystick software, with a left/right conversion switch to suit all BBC software. Features a special keyboard to joystick conversion tape, allowing joystick use with the majority of keyboard-only software. Produced in the UK for Vulcan.

ELECTRON JOYSTICK INTERFACE

The most advanced directly-compatible Electron interface. Features twin-program cassette: Keyboard-only conversion to joystick use AND "ADVAL", which allows the Electron to utilise Acorn Plus One software. Manufactured exclusively for Vulcan in the UK.

SPECTRUM JOYSTICK INTERFACE

Best-selling and popular Kempston-compatible hardware-only interface. High quality and exceptional value.

C16 JOYSTICK ADAPTOR

Allows use of all Vulcan or D-type joysticks with Commodore C16 software. All-in-one black moulding-free from internal circuitry. Excellent value for money.
