CONDITIONS OF SALE

GENERAL

Orders are only accepted subject to the Conditions of Sale set out below, and we shall not be bound by any other terms, written, oral or implied and whether contained in customer forms or not.

PRICES

This price list supercedes all previous issues and is valid for all despatches from 1st July, 1986. Whilst every endeavour will be made to maintain the prices quoted in this price list we reserve the right to make changes without prior notice. All prices charges, other than those specifically agreed in writing, will be those ruling at the date of despatch.

ORDERING

Orders are executed as per customers instructions whenever possible, however, should a product be unavailable or superseded, we shall be entitled at our discretion to substitute a suitable replacement. Any orders or order balances not available for delivery from stock are placed in state of temporary hold until the order can be fulfilled.

Telephone orders - Visa/Access orders do not require confirmation. Should you do so, mark 'CONFIRMATION ONLY' to avoid duplication. All other orders require confirmation in writing.

DELIVERY

Delivery schedules quoted are estimates only and do not constitute a contract or part of a contract between the customer and the company. No claim can be accepted for any costs incurred as a result of late or non-delivery.

PRODUCT AND AVAILABILITY INFORMATION

We reserve the right without prior notice to discontinue any product.

WARRANTY AND EFFECTIVE GOODS

- The 'guarantee period' is 12 months from the date of purchase for all computer systems and peripherals and 12 months or the manufacturers warranty period, whichever is less, for components and connectors.
- The goods returned under the guarantee to Twillstar Computer Ltd. (hereinafter known as the seller) shall be returned to the sellers premises at the purchasers expenses and if found not to be defective (or if the defect is found to be attributable to the purchaser) will be returned at the purchasers expenses and subject to a testing charge.
- The purchaser shall inspect the goods and notify the seller of any defect within 7 days of receipt of goods.
- The goods shall not be considered defective for the purpose of these Conditions unless the goods do not conform to the sellers published information or if no information is published the goods do not conform to the standards which the seller considers useful for products of that kind sold for a similar price.
- In the case of goods repaired or replaced by the seller the guarantee shall terminate at the end of the original guarantee period.
- Paragraph b above shall not form part of the contract if the purchaser is dealing as a consumer as that expression is defined by the Unfair Contract Terms Act 1977.

Note All transactions between the seller and the purchaser are governed by our conditions of sale of which the above is part.

On site maintenance and extended warranties available on many products. Please ask for details.

PAYMENT TERMS

It is imperative that Cheques and Postal Orders are made out to Twillstar Computers Ltd and are crossed.

Credit Facilities. - Full credit facilities are available nationwide. Call for further details.

DAMAGE OR LOSS IN TRANSIT.

No claim for damage in transport, for shortage in delivery, or loss of goods, will be entertained unless Twillstar Computers Ltd. are notified in writing within 7 days of receipt.

RESPONSIBILITY

We shall not be under any liability for any damage or loss or expense arising or said to arise from the use of any of our products.

RETURNS

No returns except when claiming for replacement or repair under guarantee are permitted without our prior consent. Goods return authorisation number is to be obtained and marked on goods.

A handling charge of 10% of the invoiced value of returned goods will be levied with a minimum of £2.50 except that if any returned goods and/or their packaging are not in the same conditions as when despatched by us or if for any reason repackaging is necessary a charge at a higher rate will be levied.

NOTE: THE ABOVE CONDITIONS SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH ENGLISH LAW.
