

MICRO MEDIA

Computer Supplies Ltd.

Dear Customer,

Welcome to the second issue of our catalogue which we are confident you will find not only bigger and brighter but also with many new products. A major change is the introduction of a new two-tier price structure. Every price break has two different prices.

1. PWO = Payment With Order - Cheque, P.O., Credit Cards and Cash. All PWO prices are **inclusive of VAT - nothing else to pay.**
2. ACC = Account. For companies, educational bodies, etc. who, subject to our conditions (see back page), have a 30 day credit account. All ACC prices are **Plus VAT at 15%.**

When VAT is added to the ACC prices the PWO prices represent an approximate discount of 10% which we feel is not only fairer in giving a price advantage to those paying with their order but also reflects the extra costs we incur in both the administration and financing of credit accounts.

The VAT inclusive and exclusive prices are an attempt to broadly provide the two main types of customers we supply with what they require, namely, home/personal users VAT inclusive prices, Business/educational users VAT exclusive prices.

As this is a new idea may I apologise in advance to any customer who may not fit into these two main areas and thereby finds this arrangement either inconvenient or confusing.

Your comments on the new pricing structure, our products and service, will as ever be most welcome and appreciated.

Once again thank you for your business and support.

Phillip Byland
Director.

MICRO MEDIA Branded Discs

We are pleased to introduce a range of **MICRO MEDIA** discs.

How can we supply top quality discs at these very competitive prices?

Low costs without massive advertising budgets, marketing and sales departments to support.

Have we sacrificed quality?

MICRO MEDIA discs are 100% certified error free and come with a lifetime guarantee, but it's our reputation and desire to secure your future business which are the best guarantee of quality.

The following selection of compatible ribbons has been arrived at by a process of trial and error. Unfortunately the quality of compatible ribbons varies enormously from manufacturer to manufacturer and from ribbon to ribbon. When comparing the quality against that of original ribbons your comments have covered the whole spectrum, from worse to better.

We now purchase our compatible ribbons direct from four major British manufacturers thereby offering ourselves the widest possible selection. The quality is better but the diminished purchasing power from not 'single sourcing' will, in many instances, not enable us to be the 'cheapest'. However, competitive prices and quality of products representing value for money will, we believe, be the best means of securing your confidence and future purchases.

As part of our money back guarantee we will replace any faulty or unsatisfactory ribbons. However, even if you have minor problems, observations or comments PLEASE LET US KNOW.

We can only continue to identify problems and enhance future quality standards with your help.

For those who remain unconvinced in the original versus compatible debate please see our new original ribbon section.

KEY TO ABBREVIATIONS

MS = Multi-strike / carbon / film

FA = Fabric or nylon

CO = Correctable

Y = Yellow)

BL = Blue)

BR = Brown)

G = Green)

R = Red)

All compatible colour ribbons are one colour per cartridge, unlike some original colour ribbons which are multi-coloured. Please note: for manufacturing reasons colour ribbons are only approx. 66% length.

PRINTER STANDS

PWO - Payment With Order Cheque, Credit Card, Cash, P.O. etc. Prices are inclusive of Postage & VAT. Nothing else to pay.

ACC - Account Customers with approved 30 day credit account. Includes Postage but please add VAT at 15%.

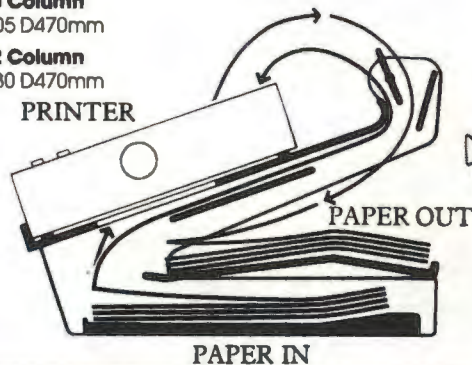

Space Saver

Paper feed and refeed positioned one above the other so the desk space required for all your printer functions is effectively halved. Dial controlled paper feed with adjustable deflectors. Ensures smooth flow and automatic refolding. The space saver is recommended for both top and bottom feed printers.

PS10 80 Column
H330 W405 D470mm

PS11 132 Column
H330 W530 D470mm

Mobile Printer Stand

- Ruggedly constructed black steel frame
- Height adjustable basket for output paper and base shelf for input paper
- Simple self assembly - includes castors, printout feed and paper catch basket.

PS14 80 Column H660 W600 D600mm
Top dimension H660 W410 D600mm

PS15 132 Column H660 W600 D600mm
Top dimension H660 W600 D600mm

Perspex Printer Stand

Made from 5mm clear perspex

PS17 80 Column
H100 W400 D300mm

PS18 132 Column
H100 W600 D300mm

Wire Printer Stand

Stacks print out in document tray automatically. Suitable for most printers. Made of safety plastic coated steel wire. Supports up to 60kg.

PS20 80 Column
H100 W310 D610mm

PS21 132 Column
H100 W430 D610mm

Special Offer 3

Rexel Superflex Unburst Printout Binders

They are made from a 0.5mm hard wearing polypropylene base material.

These binders come complete with plastic covered cable posts and will easily load from top to bottom. Each Printout Binder has a maximum six inch printout load capacity.

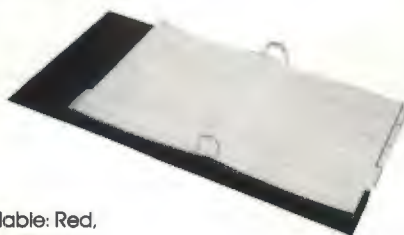

Once secured these binders are ready for suspension filing on the new easy-slide lock mechanism.

Colours available: Red, Blue, Black. Both sorts.

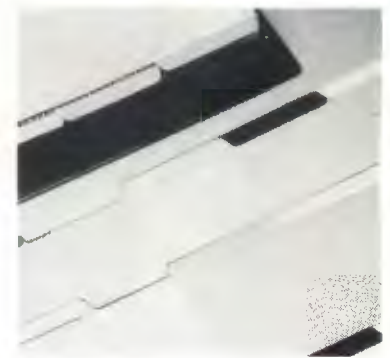

Adjustable Hardback Ring Binder

With Rexels hardback PVC covered binder you can read right across the fold of your printout. The two rings can be effortlessly clipped in and out for quick updating. The removable ring mechanism smoothly glides across the reinforced steel spine to accommodate various widths of printout.

Binder Indexes suitable for both types of Binders

These strong PVC printout indexes come in sets of 5 different colours for filing. They are made from tough PVC and are guaranteed not to rip.

HOW TO ORDER

DELIVERY

Subject to availability all orders are despatched within 24 hrs. All prices are inclusive of delivery by 2nd class post or parcel post. Please allow up to 5 days for delivery. We carry large stocks of all items. However if there is a delay in despatching your order you will be notified in writing giving anticipated delivery date.

IF YOUR ORDER IS URGENT

1. Ask for 1st class post - extra will be charged at cost.
2. Next day delivery - for orders placed before 2.30 pm. Please ask for a quote, it can cost from as little as £1.50 extra. (This service for UK Mainland only)

OVERSEAS ORDERS

There are additional carriage charges. Please let us quote.

NEW PRICING STRUCTURE

Please see explanation on front cover - if you are in any doubt please ring.

MINIMUM ORDER VALUES

Due to the cost of handling small orders the following minimum order values apply.

P.W.O. £7.50 any order under £7.50 will be subject to a £1.50 handling charge.

A.C.C. £15.00 any order under £15.00 will be subject to a £3.00 handling charge.

OPENING AN ACCOUNT

We accept orders from educational, local authorities, government bodies and plc. Any other business wishing to open an account must supply bank and two trade references. Our terms are 30 days net.

GUARANTEE

In addition to any guarantees on specific products, we give a 14 day money back guarantee on all goods in this catalogue.
